

MEDICAL EMERGENCY

CALL 911

Oglethorpe University Campus Safety Officers are trained in first aid and CPR procedures. They will immediately respond to assist with all medical emergencies on campus. In the event that someone is physically injured or displays signs of suffering from a serious illness, please follow these guidelines to help facilitate the quick response of medical services:

- Remain calm.
- **Call 911** and provide the operator with clear information about the situation:
 - Your name and phone number.
 - Nature of the emergency.
 - Building and room number.
- Then, **call Campus Safety at (404) 504-1998**.
- If you are trained to do so, provide CPR when needed.
- NEVER move an injured person unless they are located in imminent danger.
- Position someone near the building's entrance to help guide emergency personnel.

**THEN CALL CAMPUS SAFETY
(404) 504 - 1998**
